

**ROUND 1 INTERVIEW**  
**November 10, 2022**

**JOHN HUSTON ( -6)**

**Q. Pretty fast round today. Have you played this fast before?**

**JOHN HUSTON:** I played a round faster than this on the regular Tour, but it was a Sunday get-out-of-town round. It was nice. I mean, the greens and tees are so close and nobody out there, the greens were perfect. It wasn't windy, only got out of position a couple of times, so it worked out good.

**Q. The PGA TOUR event, do you remember what it was and what year?**

**JOHN HUSTON:** I think it was 140-something, it was at Colonial on the last day, but I was first off by myself.

**Q. Do you remember what you shot that day?**

**JOHN HUSTON:** I think I shot under par, I think I shot 1 or 2 under. I could be wrong.

**Q. Do you see a big difference in the weather from yesterday?**

**JOHN HUSTON:** Oh, yeah, yeah. I didn't play in the afternoon yesterday, but I played the last few holes in the morning were pretty cold and rainy. Beautiful today, though.

**Q. This is why you played practice rounds with Calcavecchia and --**

**JOHN HUSTON:** Yeah. Well, there's not that many guys that like to get around, but there's a few. It was pretty nice just to play at my own pace.

**Q. What keeps the speed up, the way you putt on the green? I mean you've always been a guy that kind of (inaudible)?**

**JOHN HUSTON:** Yeah, I think I'm really decisive, I try not to second guess anything and I'm always ready to hit when it's my turn and I don't take a bunch of practice swings. I don't take any.

**Q. Was a marker made available today?**

**JOHN HUSTON:** They didn't ask. They probably knew that I --

**Q. I gotcha. Have you ever played with a marker?**

**JOHN HUSTON:** No. Actually, yes, at Doral one year I played with Brian Claar the last seven holes because Fred Couples had to withdraw. I played the first 11 holes there by myself as well. I was towards the end of the field and I ended up winning.

**Q. Shame they have to repair tomorrow.**

**JOHN HUSTON:** Yeah, I know. Maybe they'll go the other way and let me play by myself in the last group.

**Q. Did you know coming in? I mean, when you saw that you were single, did that kind of warm your heart a little?**

**JOHN HUSTON:** Well, it was a little awkward because everybody's saying, oh, you're going to play in this and that or whatever, so really kind of tried to pace myself, especially going out to try not to get in a hurry and I think I did a pretty good job.
