

**ROUND 4 INTERVIEW**  
**November 20, 2022**

**BRIAN HARMAN (-17)**

**Q. Animated after the last approach shot. Can you just talk us through, what did you have?**

**BRIAN HARMAN:** I thought I pulled it off. I got a 7-iron, downhill slope, 177, wind helping and I thought I had done it perfect. It just hit right into that hill and I got no -- I got no release. I thought off the downhill I could get it.

But, you know, I had a nice day. I just, there was a couple I left out there, but sometimes you just get beat.

**Q. When you look at, and I looked up, go to the approach on 18 and the putt on 17, seems like there's a thousand ways you could break down your round. What's the one thing that stands out to you today that could have gone the other way?**

**BRIAN HARMAN:** I got really cold on that front nine, I was not feeling great. My body wasn't moving very good. Really proud of the way that I hung in there. Really wish I could have made the putt on 11, that was a big one. Got in there close, I felt I could have gotten a little more momentum. Had a good look on 13, hit a perfect shot on 14 that I thought was up there naked and it's 25 feet short. When it gets cold like that, it's hard to get the ball all the way to the hole. But I was proud of the way I hung in there, it's a good week. I wanted to win this one real bad.

**Q. Going kind of forward, what will you remember? Is it going to be disappointment or happy that you put yourself in contention in this event?**

**BRIAN HARMAN:** Well, I'm always happy to get in contention. My record's around here been OK. Not fantastic, it's been all right. I don't know how much anybody knows, but this was the first RSM that I had where Jack Lumpkin that watched me warm up. So for me it was a little tough out there on the back nine, but felt like he was with me a couple times, it's pretty cool.

**Q. Did you think about him?**

**BRIAN HARMAN:** Yeah, I think about him all the time, man. It's hard not to around here.
