

ROUND 3 INTERVIEW
December 3, 2022

CAMERON YOUNG (-8)

Q. How would you assess the round today, Cam?

CAMERON YOUNG: Pretty good. I mean, I feel like I didn't drive it great again, which (inaudible) late. Yeah, I got I feel like a couple good breaks early and made a couple putts and then kind of the opposite at the end. I didn't, I don't know, I just didn't quite keep it together all day.

Q. The conditions have kind of come up as the topic of conversation with the mud on the ball.

CAMERON YOUNG: Yeah.

Q. What are your kind of thoughts on that and how did you kind of find those today?

CAMERON YOUNG: Yeah, there were a couple. I mean, the one that really hurt me was on 11. I was just trying to hit 4-iron. I feel like I made a pretty good swing and it was, you know, into the weeds over there, which is definitely a bummer. I think I was probably leading the tournament at the time and it doesn't take -- it just takes a mediocre shot there to like give yourself a pretty good look at birdie. So that definitely, definitely hurt. Yeah, there were a few.

Q. (No microphone.)

CAMERON YOUNG: Yeah, yeah.

Q. (No microphone.)

CAMERON YOUNG: I hit it up the left and it ended up about a foot off the ground in a bush. I took an unplayable and then hit it right of the green, chipped it to like three feet and missed. Yeah, it was a six.

Q. (No microphone.)

CAMERON YOUNG: Yeah, yeah, no, it's been fine. I feel like -- I feel like very much the same as the last couple days, chipped and puttred really nicely. I haven't had the most control of the ball off the tee, but I think I've dealt with that pretty well and scored pretty well throughout the week.

Q. (No microphone.)

CAMERON YOUNG: There were so many, yeah. I feel like I got really lucky a couple times.

SCOTTIE SCHEFFLER: Sorry.

CAMERON YOUNG: I don't care. Here, come here.

What did I do? I had something really lucky happen. Oh, I made like a 30-footer for par on 8. I kind of like hit it long and then chunked a chip and then just like made a long putt. I hit a nice putt, but those just don't need to go in. Today early a lot of them did.
