

ROUND 2 INTERVIEW
January 26, 2023

VINCENT NORRMAN (-6)

Q. Vincent, 1 under today, obviously a big test out there with the wind. Just kind of I guess start off by how you think you fared in the conditions.

VINCENT NORRMAN: I think I played great. It was, like you say, if you miss fairways out here, you're basically playing for par. I struck it well on the front and kind of had a little rough patch there, but finished strong, I think.

Q. And just you're going into the weekend within striking distance. You know, what's it like to kind of be in that situation?

VINCENT NORRMAN: I think that's where you want to be. It's my first time being up there on the PGA TOUR, so I'm super excited. I'm going to have a lot of fun this weekend.
