

**ROUND 1 INTERVIEW**  
**March 2, 2023**

**MAX McGREEVY (-6)**

---

**Q. Max, off to a great start, bogey-free 6 under of 66 today. Just a few comments and keys to the round.**

**MAX McGREEVY:** Yeah, I just got off to a good start. Nothing too special, just didn't really have any long par putts I needed to make and just kept giving myself looks as the day went on. Luckily a few fell and just made it kind of easier as the round went on. Swing felt good, putter felt good, so wasn't -- it's pretty windy. I wasn't trying to get too aggressive, but just kept trying to give myself looks. Just a fun day finally putting together a solid round and just, yeah, makes the afternoon a lot better.

**Q. Had you been feeling pretty good? I know it's hard to call your round before you play it, but have you felt pretty good with your game coming into the week?**

**MAX McGREEVY:** Yeah, I mean, the way the last couple weeks have shown this whole year so far I'd say no, but my game's felt good. It's been strange, I haven't been able to make anything click or anything like that. Luckily, just coming back to a place that I like and played well at last year for some reason just kind of freed me up and let me click a little bit more today. Yeah, my results haven't been great this year, but the game's felt good and it's been in the right direction, so it's good to see this actually happening.
