

ROUND 2 INTERVIEW
March 3, 2023

NICO ECHAVARRIA (-10)

Q. Great round today, 5-under 67 puts you right in a great position heading into the weekend. Just a few comments about today?

NICO ECHAVARRIA: Yeah, I didn't feel like I had it at the beginning. I was fighting with the swing. There's a lot of wind out there and I was able to manage pars and good birdies. I was scratching my way around. And the back nine played a little easier with less wind. Hit three really good shots on 2 and made eagle. It was a quick turnaround.

Q. Saying you scratched your way around, what's the takeaway? You just kind of continued doing what seems to be working well with you and just kind of put your trust in that?

NICO ECHAVARRIA: You kind of know what's going on and with so much wind it's easy to get out of tempo, trying to kind of guide the ball and hit it really low for the wind not to blow it. I don't know how Carson's 14 under par with this amount of wind, it's incredible. We're going to have a good weekend and give ourselves a chance to catch him.
