

**ROUND 3 INTERVIEW**  
**March 4, 2023**

**CARSON YOUNG ( -15)**

---

**Q. You played so good all week, today wasn't certainly a bad day but I'm sure things catch up to you a little bit. Just a few comments about today?**

**CARSON YOUNG:** I played solid today, I just didn't hit anything really close, left myself 20, 30 feet a lot for birdie and hit a bunch of good putts, just nothing dropped for me. I still feel good about my game. I drove it better today than I did yesterday, which is a positive. Today, I mean, it was just a grind today just because I wasn't hitting really anything close, but I feel good about my game and I'm ready to see what I can do tomorrow.

**Q. And just keep the same game plan you've had all week? Seems like it's working pretty dang well for you.**

**CARSON YOUNG:** That's right, yes, sir.
