

POST-ROUND INTERVIEW
May 5, 2023

NATE LASHLEY (-8)

Q. Bogey free, one of the best rounds out there today. Just thoughts on the round overall?

NATE LASHLEY: Yeah, I played great. I drove the ball in the fairway, hitting solid irons, getting up and down when I need to and making putts. It was a really solid round. Anytime you get a round at Quail Hollow with no bogeys, it's a great round.

Q. Yeah, a really challenging course. Talk a little bit about the mindset that you have coming into this place versus some of the other courses we have out here on Tour?

NATE LASHLEY: It's a different place. Mindset, you're trying to make pars out here a lot of times. The weather's been nice, so you can make some birdies. But I'm not the longest player, so I'm hitting a lot of long irons into these holes. I've hit some really good shots and had some good looks. If I can continue that, keep solid iron play, get the ball in the fairway, we'll see what happens.

Q. And thoughts on the weekend? Feels like this place is going to continue to firm up with a little more wind coming in. Just your thoughts going into Saturday and Sunday.

NATE LASHLEY: Yeah, it is, it's firming up a little bit. They can get this place playing as hard as they want on the weekend. I don't know what the weather looks like for the next two days, but for me it's just going to be try to go out and play my game, hit fairways, hit some greens and see what happens.
