

POST-ROUND INTERVIEW
May 6, 2023

COREY CONNERS (-8)

Q. Corey, a 5 under today, one of the best round on the course. How did you feel about the round today?

COREY CONNERS: Yeah, obviously really pleased with the round. Hit a lot of really nice shots and gave myself some good birdie chances which I was able to convert. Pretty steady round, kept it out of trouble and didn't put myself in too many tricky spots. Yeah, felt great out there and nice to shoot a good number.

Q. Talk a little bit about the challenge that this course presents. It feels like you're getting a little bit more comfortable with more experience.

COREY CONNERS: Yeah, my history here hasn't been great, but was really excited to get back here. I love the golf course, I think it's one of my favorite golf courses that we play on Tour. It was just a matter of time before I got it figured out a little bit better. Just been playing a lot freer this week and especially today. But it's very demanding, greens have a lot of slope, some firmness and you have to really be precise with every part of your game.

Q. Not sure obviously what the afternoon's going to look like, but you put yourself in position to make a charge tomorrow. Just wondering your mindset heading into Sunday.

COREY CONNERS: Yeah, just keep doing what I've been doing, trying to hit the ball in the fairway, give myself as many birdie looks as possible. I think there's certainly some opportunities out there today for guys this afternoon, certainly expect going to have some ground to make up tomorrow. But yeah, just play with some freedom and see what happens.
