

**FINAL ROUND INTERVIEW**  
**May 7, 2023**

**WYNDHAM CLARK ( -19)**

**Q. (No microphone.)**

**WYNDHAM CLARK:** I mean, other than really, I would say other than really the first kind of couple holes seeming kind of squirrely, I felt like I played good golf after that, I hit a lot of greens, and then kind of breaking the seal on 8 making that birdie was huge. Obviously I would have liked the one on 9. I just kind of got more comfortable and this is the kind of golf I'm used to playing, let's just keep going. But as I started making birdies, mentally you try not to go forward and try to stay in the present. I feel like I did a great job of that.

**Q. You talked about this yesterday, how much (inaudible). What has the stuff that you've been working on, how did that apply today?**

**WYNDHAM CLARK:** Yeah, I mean, I've been in this situation a couple times and it's kind of prepared me for today. And obviously I didn't pull it off in the previous times, but I just kept leaning back on those experiences. And then just the stuff I've worked on, I just felt like I did a great job. It's one of the few times I felt like I'm really happy with myself, I felt like I did (inaudible.)
