

ROUND 2 INTERVIEW
June 10, 2023

JUSTIN LEONARD

Q. Probably not the round you wanted to follow up with, but still in contention going into tomorrow's round. How did today go?

JUSTIN LEONARD: Yeah, as good as I hit the ball yesterday, I think anything was going to feel kind of substandard and off. But I didn't really play that great, but I hung in there and hit a couple nice wedges, a couple really nice up-and-downs to kind of keep Steve from getting too far out in front, from me at least.

I'm pleased. Look, I think I'm playing in the last group. I'm a couple shots back. I know Steve has been on a tear. I played with Paul Broadhurst today. He played incredible golf.

But I'm just looking forward to being in contention, having a chance. I would say it's probably the first time that I've really had a couple top 10s and stuff like that. But able to be right there with just 18 holes to go.

I'm excited about that, and just looking forward to tomorrow.

Q. As far as that goes, what do you think about tonight? Do you try to dream about birdies?

JUSTIN LEONARD: I don't think too much about golf once I leave the golf course. I'll go hit a few balls this afternoon and tidy a couple things up, and then it's checking in with the family and stuff like that. I feel good about the position that I'm in through two days. I don't look back very often. Just keep pressing on. This is a step in the right direction.
