

DICK'S SPORTING GOODS OPEN

ROUND 1 INTERVIEW

June 23, 2023

BRETT QUIGLEY (-4)

Q. Obviously kind of feels like a really good early start for you, you kind of continued that round. What was working right for you throughout this round?

BRETT QUIGLEY: It's always more fun when you make putts. Started out birdieing the first two so that set the tone. Playing nice. A little sloppy today, but making a lot of birdies so that's normally a good thing for me.

Q. What do you think you need to clean up going forward?

BRETT QUIGLEY: I've got to drive it a little better. The back nine was pretty sloppy, I didn't find many fairways. So I'll work on that on the range this afternoon and see if I can clean that obviously.

Q. Obviously seeking your first win this season. Early in the weekend, but you've got to like where you stand.

BRETT QUIGLEY: Yeah, the scores, I mean, JoJo's playing well, he was right behind me so I was watching that. But yeah, 4 under or better certainly the first day, I'm very happy. And AI's close and AI can fill us in on all the good scoop.

Q. Excuse me?

BRETT QUIGLEY: Hi, AI.

Q. Why was it so easy out there?

BRETT QUIGLEY: Because I was just thinking about your game the whole day.

Q. Is that what it was?

BRETT QUIGLEY: Yeah, it just kind of frees me up.

Q. So does the chicken parm?

BRETT QUIGLEY: Absolutely.

Q. That rain, it sprinkled a little bit and we expected that more throughout the

weekend. Does that affect your game at all?

BRETT QUIGLEY: They did the right thing moving the tee times up today. Looked like it was going to sock in there for a little while, about an hour ago. Thankfully it just went around us or broke up, so we got lucky. Yeah, we're all looking at that this whole weekend, especially hoping to get all the rounds in.
