

## ROCKET MORTGAGE CLASSIC

### ROUND 2 QUICK QUOTE

June 30, 2023

### CAM DAVIS ( -10)

---

**Q. Cam, good playing. You had a nice stretch there with three straight birdies followed by an eagle. Can you just walk us through that stretch and the rest of your round?**

**CAM DAVIS:** Yeah, it was very solid. Saw a couple of putts go in, which was awesome. A birdie on 2 was I felt a bit lucky with what I thought was going to happen with my second versus where it ended up so got a little nice break there.

Yeah, it was nice to hit another good driver off the deck on 4 and get up next to the green there, that was a fun little stretch there. Nice to get on a roll on this course because you feel like you need to if you want to keep up with the leaders.

Yeah, no, it was a very solid round. Left on a bit of a sour note on the last hole with a bogey there, but to be honest, the way things were going through nine, good and bad, it was nice to get hot and get that score under par.

**Q. Obviously the site of your PGA TOUR victory. What do you like so much about the course, and does that positive energy come out when you're returning to this course?**

**CAM DAVIS:** I mean, I love old golf courses, I love old design. I think Donald Ross courses are some of my favorite, I love what he's done with flatland and just good greens. I like the way the holes are shaped out here.

For me, when you miss a shot you generally have a chance to get it back towards the green. I think if you've got some creativity you can still make a lot of stuff happen even if you're out of position.

Yeah, having some good history here. I missed the cut the first two times around here, really turned it around the year after that. So it wasn't like it was love at first site, honestly, but I've grown to really love this course now and hopefully it keeps treating me well over the weekend.

**Q. You're on a nice stretch of golf right now including your first top-5 in a major. How have you been able to keep that positive play going this last couple weeks?**

**CAM DAVIS:** The PGA was great. Honestly, things kind of took a bit of a dip after that for a few weeks and feels like I'm starting to get some good stretches of holes together and good

rounds together again. This year's been really up and down for me. The good has been pretty good, I've had a few pretty low areas. Yeah, it's nice to be on a nice upward trend again. Yeah, looking forward to the golf coming up.
