

ROCKET MORTGAGE CLASSIC

ROUND 4 QUICK QUOTE

July 2, 2023

CHASE JOHNSON (-7)

Q. Just kind of take me through what this week has been like for you.

CHASE JOHNSON: It was fun. It was definitely a lot of confirmation on everything that I've been working on in the last year. Friday was a little stressful. Like I said I think in the last interview, it's kind of been that the whole year hovering around these cut lines, but so far all three of them worked in my favor. Started the weekend off right yesterday, today played really well. I hit a lot of solid shots, I was just like a yard or so off from being really good and unfortunately short-sided myself a lot and then had a number of burnt edges. But this week was awesome, I had a blast and the game was good.

Q. First made cut on Tour. Anything you feel like you learned being here on a weekend and competing on this stage on Saturday, Sunday?

CHASE JOHNSON: Yeah, patience, honestly. Like I've learned that a lot in the last year. I mean, it was the same thing this whole weekend. Like Friday was a slow start, like stayed patient, hung in there, made the cut. Then I'd kind of gotten off to like slow starts and then rallied towards the end, I had three birdies in a row yesterday. So just staying patient and trusting the game plan and executing, you know, when I was able to.

Q. Do you take any time to kind of reflect for a moment based on where you've been the last couple years? Kind of the lows you've had, and then to play in a PGA TOUR event, to make the cut, to win The John Shippen, first of all, just kind of reflecting on what you've overcome in the last couple years?

CHASE JOHNSON: Oh, yeah, absolutely. It hit pretty rock bottom there for a little bit. The mental game was not in a good place, but the perseverance through that and to come out this week with a win and a made cut on the biggest stage that golf has, definitely a lot of positives to take from the week. My game keeps trending in the right direction each and every time I tee it up, so hopefully we can just keep building on that.

Q. What's kind of next from here? What are your plans the next few weeks?

CHASE JOHNSON: Well, hopefully no flights get canceled tomorrow, but we're going to the lake and we're hanging out with some family friends of ours. I get to hang out with the dogs in the water and stuff, a little R&R. It's been a grind these past couple weeks, I think I've done like three Mondays in a row, lost in a playoff in one, lost by two in another, so it's been a grind. I'm going to take a little time, relax and then get back after it in a couple weeks.
