

**ROUND 2 QUICK QUOTE**  
July 14, 2023

**RYAN MOORE (-10)**

---

**sQ. Ryan, not quite the round you had yesterday, but pretty pleased with where you're at through two rounds. Talk a little bit about today's round.**

**RYAN MOORE:** Yeah, I mean, obviously the first two days are about kind of just getting yourself into a good position and in a good place going into the weekend. It's great to be leading, but as we see week in and week out, you don't always have to be leading to come out on top on Sunday.

It wasn't the day tee to green that I had yesterday, for sure, but I did putt a little bit better today, which was encouraging. It's a little different to see this course firm and fast. We're used to a lot of rain generally at this event, so to see the greens actually kind of bouncing and harder to keep wedges around the hole like it kind of was this afternoon took a little bit of adjusting.

**Q. You were just talking about yesterday's round just tee to green, how well you hit it. Just talk a little bit about that.**

**RYAN MOORE:** Yeah, it was just one of those days where, man, just every shot just seemed to be going right where I wanted and the distance I wanted it to go. Had a bunch of great short birdie opportunities as well as three very short eagle opportunities as well, which I don't hit it really long so to have a day like that is pretty great.

You know, I know it's in there. I like how I'm swinging it right now, I like how I feel. Today just wasn't quite as sharp, but I still was able to scrape together a good solid round and get myself in the mix.

**Q. Yeah, just three back. Just talk a little bit about how excited you are for the weekend.**

**RYAN MOORE:** Yeah, obviously I haven't been exactly in this position in a while. It's just nice to be here, it's nice to be feeling like I'm in good form and hitting the ball nicely, and again making a few more putts today and feeling a little more comfortable on the greens. It's encouraging. Whatever happens this weekend, to have a couple days like this just shows you your game's in a decent place and kind of ready to go play some good golf.

**Q. You won five times on Tour. What would it mean to get that sixth win?**

**RYAN MOORE:** It would be incredible. There's a long way to go and it looks like a lot of weather from now till that Sunday afternoon. We'll see how it all shakes out, but obviously

every win's amazing. They're all different, they all happen in different ways and all I know is anytime I've won, I was never trying to win, I just was playing golf and playing golf how I know how to play golf. Somehow just kind of ended up on top at the end. So I'm going to keep just kind of approaching the next couple days the same way as I've approached these last two and see what happens.
