

**ROUND 3 QUICK QUOTE**  
July 15, 2023

**VINCENT NORRMAN (-16)**

---

**Q. Vincent, how would you characterize that round today?**

**VINCENT NORRMAN:** It was a weird one, the weather was awful at times and the sun came out after that, and the golf was pretty good along the way.

**Q. Bit of a mix really, a lot of birdies, a few bogeys, but the highlight was probably the eagle at No. 5. Can you talk us through that?**

**VINCENT NORRMAN:** Yeah, it was a good drive down the fairway and then I was kind of in between clubs and clubbed up and hit it high, a 6-iron in there and made a putt and that kind of got me going for the day I feel like.

**Q. It's nice to be in contention, you've had a couple of top-10s this season. How meaningful will it be to get this tournament across the line tomorrow?**

**VINCENT NORRMAN:** I mean, it would be awesome if that happens, but just do my own thing. I'd love to be here, that's why we play, to be in contention and I'm just lucky I'm here.

**Q. And your girlfriend, Frida, her brother is playing this week, which probably doesn't happen that often in the same tournament for you guys. What's that week been like catching up with him and have you had practice rounds with him?**

**VINCENT NORRMAN:** Yeah, it's awesome. We're staying together this week and also next week. He plays over in Europe, I can't see him much. We're very close friends and just to have a friend out here is amazing.

**Q. What will your strategy be like tomorrow being in this position and having the opportunity in the final group to get out there?**

**VINCENT NORRMAN:** I think just it's a pretty straightforward course, you have a lot of chances. You've got to be aggressive to make birdies and just keep doing that.
