

ROUND 4 QUICK QUOTE
July 16, 2023

TAYLOR PENDRITH (-19)

Q. Taylor, the eagle on 15 got you up to 20, would have given you a chance coming down the stretch. Just talk a little bit about that, but then the last three holes.

TAYLOR PENDRITH: Yes, it was fun. I mean, to make that putt on 15, saw the leaderboard was right there and if you hit some good shots on the last three, they're definitely birdiable. Hit a really, really good putt on 16 that just was one revolution short. No. 17, didn't hit a good tee ball, it was in the rough and then I was in jail over the green. It was actually a good bogey. No. 18, hit a really good drive and kind of the lie wasn't great but didn't hit a good wedge.

So a little disappointing, but tons of positives. I played really good this week, very steady, very solid, mental game was great and yeah, I think it's a big step for me. It's been kind of a struggle this year mentally and so my game's good right now and I'm looking forward to the next three weeks.

Q. Heading to Barracuda. Have you played that one before? What's your thoughts on that?

TAYLOR PENDRITH: Yeah, I played it twice, really like it. It's an interesting format, kind of rewards more aggressive play, lots of birdies and eagle opportunities out there. Love that place. The weather's great up in the mountains, it's a really cool spot and I've played well there in the past, so really looking forward to getting over there and hopefully have another good week.
