

**ROUND 4 QUICK QUOTE**  
July 16, 2023

**ADRIEN SADDIER ( -21)**

**Q. Nice playing, 66 final round, seven birdies, one bogey. Just give us an assessment of that round today.**

**ADRIEN SADDIER:** Yeah, it's a pretty cool day. It was kind of a slow start, but I know I was playing good so I just stayed patient. I made long putt on 10, chip in (indiscernible.) Yeah, unbelievable day, nice atmosphere.

**Q. Any one of the particular birdies stand out to you better than the others?**

**ADRIEN SADDIER:** I think the one on 13 because I hit like really, really bad drive, I had like 205-meter to the pin and I hit a 6-iron to six meters, so yeah, this one was good.

**Q. You came over here just in this tournament at the Barbasol and not into the field next week in Barracuda. With your finish today you get into that. What has that been like, you're going through the week knowing that there was that carrot at the end of the week?**

**ADRIEN SADDIER:** I think being in the field for next week is a good bonus. I heard the course is really nice and I heard a lot of good feedback from the course so I look forward to be there.

**Q. What's your experience been like in the United States, in Kentucky this week?**

**ADRIEN SADDIER:** Man, it was awesome. The atmosphere, the crowd was really different from the DP World Tour and I liked it, just take positives from this.
