**ROUND 2 QUICK QUOTE**  
August 11, 2023

**JOHN VANDERLAAN (-12)**

---

**Q. John, right now T-1, thankfully finished up the round. How are you feeling at the top of the leaderboard entering the weekend?**

**JOHN VANDERLAAN:** Feeling really good. You know, I found a little something in my putting that's helped me the last couple of days. Just keep hitting it good, hitting fairways and giving myself chances. Nice to finish and get a couple extra hours of sleep tonight. Hopefully, do it again tomorrow.

**Q. Last few holes, I guess probably your entire round you knew that it was going to be tight. Can you talk us through the, I guess, speed golf, if there was speed golf there?**

**JOHN VANDERLAAN:** Yeah, everybody in our group wanted to finish. Kind of lucky that we were first off and we knew if anybody was going to have a chance, we were going to have a chance. With a couple holes left, we kind of knew that we were looking pretty good to at least get one off of 18 tee so we didn't have to stress about it too much. Definitely playing a little quicker than maybe we otherwise would to try and get done.

**Q. Was there a little bit of a balance there of trying to speed up, but then once you're over the ball, like all right, slow it down?**

**JOHN VANDERLAAN:** For sure. I think I'm a relatively fast player anyway, so I'm kind of trying to always be ready when it's my turn and then go through my process. Luckily, we got done tonight, so we'll do it again tomorrow.
