

## PURE INSURANCE CHAMPIONSHIP

**ROUND 1 QUOTES**  
**September 22, 2023**

**ARJUN ATWAL ( -4)**

---

**Q. Great start after Monday qualifying. Just a few thoughts on today.**

**ARJUN ATWAL:** Yeah, it was fun.

**Q. Tuesday qualifying.**

**ARJUN ATWAL:** Yeah, Tuesday qualifying.

**Q. Old habits die hard.**

**ARJUN ATWAL:** Hit it OK. Didn't hit it all that great, but it's Pebble and I know Pebble, so I'm glad that it's one of those golf courses where I didn't have to learn on this tour. You know, I know a lot of the breaks on these greens and it helped, I putted really well today.

**Q. What have you been feeling good about with your game coming into the week?**

**ARJUN ATWAL:** Nothing really. Just the qualifier, I started to hit it a little bit better and I started to find my lines again on the greens and that's continuing, so I'm looking forward to it.

**Q. And how much fun is being 50?**

**ARJUN ATWAL:** This right now?

**Q. I came from the regular Tour after so many years and I just love it out here.**

**ARJUN ATWAL:** I know, everybody does.

**Q. You like what's coming up for you?**

**ARJUN ATWAL:** Yeah, yeah. Hopefully I get in a few more. I'm going to try and -- if I don't get a spot at Furyk's, I'm going to try to Monday or Tuesday for that as well. And then I can't go to Q-School this year because of family issues. My parents had passed away last year. It's my mom's one-year death anniversary coming up and there's no way I'm going to go. So hopefully I can get everything done before, get in the Playoffs somehow if I play really well. That's the plan.
