

ROUND 1 QUICK QUOTES
September 14, 2023

SANGMOON BAE (-5)

Q. Bogey-free 5-under 67, nice start. If we can get some comments.

SANGMOON BAE: Firstly, I really like this course and I'm very comfortable when I play on the course. I worked really hard at the putting last week and it actually worked this round. Then I made just one birdie on par 5s, but that's kind of a little, you know, off today. But I had a really good round, really happy with that.

Q. Anything in particular with your putting that you worked on?

SANGMOON BAE: At home I was really stick to reading the green, it was really important. I think first thing important in the putting. So just practice hard and then always, yeah, keep practicing reading.

Q. Just talk a little bit about the confidence level you have when you've won a tournament before and just the good vibes that you have when you come back to a place.

SANGMOON BAE: Actually, I took like almost one and a half months off and stayed at home a long time, but came here, I still have a really good vibe here and good memory. I pretty much really know this course. Then yeah, the iron game is good today. It worked.
