

**ROUND 2 QUICK QUOTES**  
**20 October 2023**

**CAM DAVIS**

---

**Q. Cam, how difficult was it?**

**CAM DAVIS:** It was -- that was one of the windiest rounds of golf I've had all year, for sure. That was tough.

**Q. Can you describe like any particular hole where the club difference was just a couple of club differences?**

**CAM DAVIS:** Well, I hit my shortest drive of the year probably by 40 yards on the last hole. I can remember the last time I hit driver, driver on a par-4 and still came up short of the green. It was a really tough day. Very happy with the way I grinded it out in even par because that felt like a really difficult round.

**Q. Two birdies in the last four holes, that must have been nice coming in.**

**CAM DAVIS:** Yeah. I mean, even if I turned in 2 over, that still would have been fine, but to get back to even par, I feel really proud of that. I can't remember the last time we played with like a four- or five-club wind. It's been a long time for me.

**Q. This is like a continuation of your fine form. What has been working really well for you the last few months, Cam?**

**CAM DAVIS:** Honestly, the patience. I used it again today. Things weren't going super well, but I just stuck with it and kept on giving myself chances and eventually a couple went. I mean, most parts of my game have been pretty solid, so today kind of threw it around a little bit. It was hard to hit fairways, hard to hit greens, but just grinding it out and staying patient once again helped me get a few shots less than what I might have otherwise. So I would say that kind of thinking in this sort of conditions is the best thing you can do.

**Q. Excited for the weekend ahead?**

**CAM DAVIS:** Of course, yeah. I hope it's not quite this windy, but I'm looking forward to it.

**Q. It feels like most of the board is either even or over par today. How good is Beau's 5 under today? How crazy is that?**

**CAM DAVIS:** I wouldn't have said 5 under was out there, but obviously these guys are pretty damn good. I mean, you always expect someone to have a day where things go their way and obviously Beau has just played super great golf. Hats off to him. I managed to keep

myself within shouting distance, I guess, so from now on, hopefully if it's not quite this bad weather-wise, there's going to be a lot of birdies out there. Still got 36 holes there to try and chase him down.
