

ROUND 2 QUICK QUOTES
20 October 2023

COLLIN MORIKAWA

Q. Just overall takeaways from the round? How difficult was it out there?

COLLIN MORIKAWA: Yeah, when it was gusting, you had to control your golf ball. I think I counted my fairways when I was walking up 18, I hit three fairways today. So playing out of the rough and playing out of the trees is not easy on this golf course because the greens are fairly small, pins are, I wouldn't say tucked but there's some slope, so you put yourself in your some wrong spots.

I've just got to hit more fairways, that's all it is. Made the round extremely hard today not being able to hit those fairways. And figure it out for tomorrow. Four back, obviously a bunch of guys, but I know I can play well because yesterday was nice to play some offense.

Q. I was going to say, does this give you the opportunity to reset knowing the wind's going to die down, but you're still right in it?

COLLIN MORIKAWA: Yeah, we're still right there. Obviously wish I didn't have the double on 13 or 14 today, but hopefully I learn from these mistakes and just kind of go forward and start playing a little bit better.
