

ROUND 4 QUICK QUOTES

MIN WOO LEE

Q. Min, 65 to end the week. Just sum up the week here in Japan for us.

MIN WOO LEE: Yeah, it's been amazing. I think a little disappointed. I don't think I gave it my whole A-game the whole week, but really happy with the result. My game's in a pretty good position where I didn't feel overly great with I guess my score. The result's actually really good. A lot of pressure getting my card and trying to play well, but yeah, I feel like there's some in the tank still and hopefully I can end the year really well.

Yeah, Japan's been awesome. Definitely come back.

Q. This will basically seal your card for next season. What are the lessons you can take from winning last week, coming here this week? What experiences do you lean on to grow your game as you go into the next few months?

MIN WOO LEE: Yeah, just really committing to every shot. Just I think that was the problem with my game was I could do the shots, but there's a little bit of doubt, which is in everyone's mind when they start out and they're trying to keep their card or get their card. I think just committing to every shot and just really focusing on what you need to, it's just not easy.

Yeah, last week I felt like I just did such a good job of doing that. There was a lot of tricky shots that ended up really good because I doubled down on my commitment and finished really well.

Yeah, this week I feel like I started not too fast, it was quite slow, and then the weekend I got going. Yeah, this week has been really good, too. Just happy to move on and get my card.

Q. Talk about second shot on the first hole. That must have been nice.

MIN WOO LEE: Yeah, it wasn't a really good number and it was a shot that I was kind of struggling with. It was like a very soft gap wedge, but it comes out really hot. Just really, again, I really committed to just trying to hit it soft and it came out just so beautiful. One bounce and it went in, so really happy with that. Hopefully they got that on camera.

Q. Where do you go from here? You've got quite a few more to go before the year's up?

MIN WOO LEE: Yeah. Well, if a top-10 gets into Cabo, so I'll have to see with my team if I'll play that, but right now I'm committed to playing in Europe finishing off the year there.

Q. And then back to Australia?

MIN WOO LEE: Yeah, back to Australia, starting the new DP World Tour season.
