

ROUND 3 QUICK QUOTES
October 22, 2023

ROCCO MEDIATE

Q. Did you feel any pressure out there?

ROCCO MEDIATE: Yeah, I did. I made -- I came out nice, felt good, made a funky swing on 4, hit in the water. Hit a bad drive on 6, made bogey, so I'm like, shit.

Then I birdied, and I was fine. Like, you know, if you're -- like I said, if I'd have shot 75, I'd have shot -- once I got in, I'm like, I'm going to try to finish this back nine, see what I can do, maybe it will carry over to something.

Then I hit a bunch of -- I hit a horrible -- once again, come to 12, middle of the fairway, the fat hooking -- I was trying to hit this low hooking 3-iron. I hit behind it like I've been. It's been like three weeks, it came up again. So now I'm ready to put everything in the bag and go in because I'm like, what the -- made that stupid good bogey.

So I'm like, all right, I'm still alive, there's still holes. Almost birdied the next, lipped it out. Birdied the par 3, which you're not really supposed to do with a 3-iron for me, especially after the last 3-iron I hit. So 12 feet in, all right. Just missed on 14, birdie. Hit a beautiful pitch on 16, good putt, two putts.

And then 18 I hit the pitch like -- it gusted and then I thought it would skip. Stopped dead. Then I'm thinking, well, if I get a little crazy with the first putt and hit -- I don't know, I might as well try to get in. But if I wouldn't have, I'd have been home another week. So you never know now.

Q. No, you're --

ROCCO MEDIATE: You never know what can happen there. See, I've done good there before. At least I'll be going there apparently. It's good. Still don't care. You know what I meant by that.
