

ROUND 3 QUICK QUOTES
October 8, 2023

STEVEN ALKER (-10)

Q. All right. Great tournament, runner-up finish, 10 under. Overall just takeaways from the week and headed into another playoff season coming up?

STEVEN ALKER: Yeah, yeah, the game's just started coming around. Ball-striking has been the best the last few weeks it's been for a while, so tidy that up. This week was just a few more putts here and there, an up-and-down, it was that kind of week. So nice putt there by Quigs on the last, that was a huge up-and-down, so credit to him.

Yeah, just going forward, going to the finals events, looking forward to it.

Q. What is the continued validation, the hard work you've put in this season, this going into the final events, this motivation, what does that mean?

STEVEN ALKER: Yeah, it means a lot. It's a long season, just got to keep up the fitness. I had a few weeks off, St. Louis and Sioux Falls, gave me just time to regroup and get things together. I've got some golf courses coming up I like. Richmond obviously I'm defending and home game in Phoenix, so some nice weeks coming up.

Q. Last one, just overall what did you think of the job that the agronomy teams did this week after everything that happened?

STEVEN ALKER: It's phenomenal. I mean, what they did in a few hours there in the morning, get us out in the pro-am and play it is phenomenal, just come together to get that done. I had no problems, I was very fortunate I didn't have to putt over any of it, but even if I did, it was a sensational job.
