

East Lake Cup Men – Stroke Play Singles
October 30, 2023

COACH TREY JONES
Florida State

Q. How do you feel that your team played today?

COACH TREY JONES: I feel like we played great. We have five guys that were competitive in the round the whole way and I think that's really important going into what we have to do this week.

Q. Going into match play tomorrow, what mindset are you hoping to put into your players?

COACH TREY JONES: Well, we've done it before, so it's something that the mindset's going to be that we have to play every hole, we've never won the match and we're never out of the match. Each one of them are capable of going out, we all have a job to do.

Q. How does it feel to be here at East Lake Cup? How does it feel to you as a coach and as a team and hopefully to your players?

COACH TREY JONES: It's an honor to be here for something they achieved last year. As hard as we worked and the things they've done, it's just a great reward for them to be able to have this experience. I'm proud of them.

Q. Is there anything else you'd like to say about how your team played? Any advice you hope they keep in mind tomorrow?

COACH TREY JONES: You know, even though it's a rivalry match, I just hope they go out and do what they need to do and continue to get better, and in the end, things will work out for the best.
