

**East Lake Cup Men – Match Play**  
**October 31, 2023**

**GRAY ALBRIGHT**  
**Florida State**

**Q. Nice playing. Overall assessment on how today went?**

**GRAY ALBRIGHT:** It was fun. It was a grind all day. Got off to a slow start with a couple bogeys, but Ian played solid all day, too. We were battling there all day. We had a few birdies coming in that really helped out, so it was fun.

**Q. Anything change there after 14? That was the first time you took the lead and you never really looked back.**

**GRAY ALBRIGHT:** No, I wouldn't say anything really changed. I just tried to keep on sticking to my same process and hitting good golf shots. Just giving myself looks at birdies really just to make sure that I could kind of just keep having looks, because I knew Ian wouldn't give me any holes, so I needed to make some birdies to win some holes.

**Q. Looked like you were having a lot of fun out there. What's match play like for you?**

**GRAY ALBRIGHT:** It's really fun. It's so much different than stroke play because you're just playing the man. It's really fun, all the different momentum changes and stuff like that.

**Q. Any sort of revenge on the mind today for you guys taking on the Gators?**

**GRAY ALBRIGHT:** I'd be lying if I said we didn't come into it with some of those thoughts. Yeah, we definitely wanted to get 'em this time with what happened last time we played 'em.

**Q. Luke's up big here in his match. What would it mean to go and have a chance to win this thing tomorrow for you guys?**

**GRAY ALBRIGHT:** It would be huge, it would be awesome. We've been looking forward to this event all fall, so it would be really fun to be able to make it to the finals.
