

**ROUND 3 QUICK QUOTES**  
**September 16, 2023**

**CALLUM TARREN (-12)**

---

**Q. Bogey-free 67, nice round. If we can get some comments, please.**

**CALLUM TARREN:** Yeah, I just played pretty solid all day. For some reason this week I just feel very relaxed and just going with the flow really. Five weeks off, zero expectations this week. At this point it's working, so I've just got to keep going.

**Q. What was working well for you today and throughout the week so far?**

**CALLUM TARREN:** I just think I gave myself a lot of chances. I think today I might have only missed one or two greens, maybe one. I drove it good, I've hit some great iron shots and I've holed some putts, so everything's pretty good at the moment.

**Q. You ended the season at 91st in the FedExCup, that's, you know, pretty safe for a Top-125, but also not in the signature events as of yet. Is there one of those areas that's kind of motivating you more to, you know --**

**CALLUM TARREN:** Not really, no. I'm very grateful for being out here and obviously playing golf for a living on the PGA TOUR.

I mean, yeah, like you said, I'd like to get in them signature events, but if you don't, it's not the end of the world I don't think.

Yeah, my plan is to play every event in the fall and if I keep playing like I am, then I think it will take care of itself.

**Q. Currently three back, still a few holes to go. What's your mindset going into the final round?**

**CALLUM TARREN:** I mean, it seems like all the guys who are in the top-20 have played well today. There's birdies out there and I've just got to keep giving myself chances. Who knows what will happen tomorrow. I mean, yeah, it's -- I'm just going to keep doing what I'm doing.

I've said to the people I'm staying with this week, I just feel very chilled and just staying out of my own way, which is great. That's how I should play golf every week. I don't know why, but hopefully I can play like I have today and the last two days tomorrow and we'll see where we're at.
