**J.T. POSTON (-5)**

**Q. J.T., about what you expected this afternoon? I mean, the rain was in the morning, but did you feel like you guys had the birdie holes out there today?**

**J.T. POSTON:** Yeah. I mean, the forecast I looked at when we, you know, were about to tee off, looked like it was going to rain all day so I was happy to see that it stopped there for a little bit. I think you're starting to see the scores, guys are making some birdies. It's soft, greens are still rolling really good, so you definitely have some chances out there.

**Q. Do you feel like you got off to a good start here in the first round?**

**J.T. POSTON:** Yeah, 5 under's a great score. Looked like somebody was maybe 7 or 8 or something like that, but it's a long week and I know I can play well here and go low, so I feel good about it.
