

**QUICK QUOTES**

**CAM DAVIS (-12)**

---

**Q. (No microphone.)**

**CAM DAVIS:** Yeah, it's a stressful position being right on the bubble starting the last hole of the season. But yeah, I played really solid last week to get myself inside 70 and I played really good golf this week as well. Very pleased with the way I held everything together and played a really good round today to finish off a nice little stretch to finish the regular season. So looking forward to the Playoffs.

**Q. How much was your position on your mind when you came into this week?**

**CAM DAVIS:** Well, it was all on my mind. I knew. I was hoping to get as far up there as I could after last week and when I saw it just edged over the line, I thought, well, I don't know what number I need to finish this week, but I want to just try and win the tournament and get as high up as I can, then find out at the end. So I didn't look at the leaderboard all week, I didn't know where I stood projection-wise, I just wanted to finish off the tournament and I knew where I finished today should be plenty.

**Q. What's your game plan now? Are you going to stick around for a little while, figure out where you end up at the end of the tournament, or are you off to Memphis?**

**CAM DAVIS:** I think we're pretty set for Memphis now, I don't think I can get punched out now, so yeah, time to book a flight, book a hotel and look forward to next week.
