**DAVIS THOMPSON (-8)**

---

**Q. Davis, how aware were you of different scenarios you might have needed today to get into the top 70?**

**DAVIS THOMPSON:** My goal was to get to 12 under today and I figured that would be a good number to get to to have a chance. Played well own the front, just couldn't get anything going on the back. Had a chance on 13 to make one and then drove it in the rough on 15, so it's just kind of tough to make birdies when you're not hitting the fairways. But yeah, it's tough, but oh, well.

**Q. Do you just kind of -- how would you kind of assess your play overall today in particular?**

**DAVIS THOMPSON:** I played fine. I mean, greens are firm and fast so it's kind of hard to get the ball close to the hole. I hit it great all week, just if a couple putts here and there dropped for me and I'm right in the mix. Unfortunately, it didn't happen.

**Q. You know where you're at, even if miss the Playoffs, you're in a great spot of locking up your card. Do you take any of that perspective as you walk away from here?**

**DAVIS THOMPSON:** I guess. It just sucks that I didn't make the Playoffs just because I had a great start, kind of had a lull in the middle of the year. So it's unfortunate, but, you know, still got to take the positives and move on.
