

ROUND 3 INTERVIEW
August 27, 2023

VIJAY SINGH (-14)

Q. Vijay, just walking off that last green, did you have any idea what was going on behind you?

VIJAY SINGH: I saw Paul hitting it on the fairway. I said OK, back there I still have a chance. Then I look at the scoreboard, I was 14 and Jeff was 13 and no Goydos. So I'm surprised what he did there. Somebody said he tripled there.

Q. A Hall of Fame career and you've won here now four times on this golf course. Why do you love Warwick Hills so much?

VIJAY SINGH: I don't know. I'm as shocked as anybody. I guess for some reason I drive the ball very well here. Whenever I come here, tree-lined, I drove it well and I've putted well. My putting has been a mystery for a long time, but I've found a few things out the last few weeks and I've been putting really well.

Q. First win in five years out here, like I said, Hall of Fame career, 34 wins, five now on this tour. Where does this rank? Since you hadn't won in a while, is this pretty special?

VIJAY SINGH: It was a long time coming. Whenever I tee up here I always feel like, on the Champions Tour, I have a chance to win you, but never materialized. I've been working really hard. This year's been pretty good to me. I had a bad foot for the last two, three years and riding a cart really helped a lot. So I'm really happy with this win and I look forward to the next events. I think my game's coming around and this was the start of it.
