

East Lake Cup Women – Match Play Round 2
November 1, 2023

CAROLINA LOPEZ-CHACARRA
Wake Forest

Q. All right, all eyes on you there at the end when you clinched the match and the cup for your teammates. What was that like?

CAROLINA LOPEZ-CHACARRA: It was nice. It's always a stressful situation with some pressure. It is true that I played great my front nine, so I had a couple holes advantage. Then struggled a little bit at the end, but I'm happy that I could finish it.

Q. This team plays with a ton of confidence. You guys have shown it in the results this fall. What makes you guys so good?

CAROLINA LOPEZ-CHACARRA: I think we all push each other to be better persons and players in and outside the golf course. We're always out there, we try to help each other. We see each other as teammates more than competition even though at the end golf is like an individual sport, but this team is like very close and I think that's the key.

Q. What was this week like getting some match play in there and getting to play a venue that's hosted major championships?

CAROLINA LOPEZ-CHACARRA: Well, I mean, just to start with the course, it's a great golf course. It is challenging. Fairways are narrow, you have to know where to hit it into the greens as well to give yourself the best option. So that's of course a great job from our coaches strategy-wise.

We've been treated incredible. It feels really, really nice. I mean, we got a present every day in the locker room, and then the food, it's insane. The volunteers, the spectators, I don't know, it's just a really special week.

Q. How do you guys take this week and all this positive momentum into the spring?

CAROLINA LOPEZ-CHACARRA: Yes. Of course there's things to work on, things to learn and thing to improve, but yeah, we're very happy with our fall season. Hopefully we can keep this going through the offseason.
