November 1, 2023

CHRISTO LAMPRECHT
Georgia Tech

Q. Here with Christo Lamprecht from Georgia Tech.

Christo, a 4 & 2 win, what did you think was going well for you today?

CHRISTO LAMPRECHT: I think I just made some important putts. I think I made a lot of putts inside six to 10 feet and just kind of kept him at bay, didn't give him any holes besides one. I just played pretty solid. Didn't play great, special, I just played solid enough to get the job done.

Q. And obviously you guys are right down the road from this place. What kind of advantage do you think it is just to be so close to home?

CHRISTO LAMPRECHT: Yeah, I think there's a lot of supporters out here. I think it's always nice to have a home crowd to some extent. I guess playing a golf course that we're familiar with, we played it a bunch so far, so it's just nice to have a golf course that you're familiar with and everyone's around. It just kind of eases you up a little bit.

Q. How would you sum up the last three days here, prestigious golf tournament on an amazing golf course?

CHRISTO LAMPRECHT: Yeah, it's always fun to play on television.

Q. So East Lake Cup, prestigious golf tournament, how would you sum up the last three days here?

CHRISTO LAMPRECHT: Yeah, I think it's a great event. I think it's obviously really cool to be part of it. Obviously kind of I guess get a reward for playing really good golf last year and playing in this event. Yeah, it's a really good event, I loved it. It was really fun just playing with my team.
