

East Lake Cup Women – Match Play Round 2
November 1, 2023

PAULA MARTIN SAMPEDRO
Stanford

Q. You never trailed in the match. What went well for you?

PAULA MARTIN SAMPEDRO: Well, it was a very good day out there. Wake Forest, great university, so we know they're tough. We just have to focus on every shot each at a time. I just, I was patient. I was 2-up early in the match and then it went all the way into tie, so the match very tight all the way. So happy how I performed to get the win.

Q. How big is it to get that point for your teammates?

PAULA MARTIN SAMPEDRO: It means a lot. I mean, I'm a freshman at Stanford and it feels great representing this university. Getting to play for them, it's just a pleasure. Even getting the point, even better.

Q. As a freshman, what was it like getting that experience this week, a format that's just like a national championship?

PAULA MARTIN SAMPEDRO: Yeah, it's very good. We've played two tournaments in the fall that have like match play, so that's very good. Is the way that prepares us to be the best in that week, which is what we work for during the year. So very happy and grateful we got to play this event and getting everything out of match play because it's a challenging format in golf.

Q. What did you think about the golf course this week?

PAULA MARTIN SAMPEDRO: It was amazing. This is my first time in Georgia, so enjoying it. The course was great. There are a couple of interesting holes. The last stretch is interesting to close the matches up. So very good, very happy with the golf course as well.
