

**PRE-TOURNAMENT INTERVIEW**  
**November 1, 2023**

**EMILIANO GRILLO**

---

**GREGORY VILLALOBOS:** We would like to welcome Emiliano Grillo to the interview room here at the World Wide Technology Championship. A winner this PGA TOUR season, Emiliano has recorded eight top-10s in 32 starts.

Emiliano, thanks for joining us. First of all, we'd like to have your thoughts heading into the week here in Cabo.

**EMILIANO GRILLO:** I don't know, it's an interesting week. It's been an interesting fall. You know, I'm not playing -- I'm not playing for anything. I'm not playing for points, I'm not playing for any FedExCup points.

But it's been fun. It's been -- it's been fun not having to worry about anything and I can bring my family to Cabo and just enjoy it. So I'm still trying to play my best. I wasn't able to play my best so far, but I like the golf course. I like -- I like the design. It's a little bit of a -- you get to not worry so much about tee shots, which is kind of nice. And then you have to play some really solid shots onto the green and try and make the putts.

Tricky holes on the back nine. No. 16 is going to be interesting to see the scores, so I'm looking forward to a good week.
