

ROUND 1 QUICK QUOTE
November 2, 2023

MICHAEL KIM (-8)

Q. As you predicted earlier last night that scores would be going low, you went low today. What did you like about your round?

MICHAEL KIM: It was just super solid. I probably went into trouble just once or twice today and just a really solid day that I could have shot even lower if I made a couple more putts.

Q. What's strongest in your game right now?

MICHAEL KIM: Definitely my irons felt really good, my wedges felt really good today and I just rolled in a ton of good putts.

Q. First time we're seeing this course on Tour. What's the key to navigating around?

MICHAEL KIM: It's definitely a second-shot golf course. You can use a lot of bowls to your advantage if you hit it in the right spots. You know, you need some good iron swings.

Q. Your Twitter prediction, do you have a prediction of what a winning score would be? I know only Thursday, but --

MICHAEL KIM: I would say mid 20s unless it gets windier in the weekend.
