

ROUND 2 QUICK QUOTE
November 3, 2023

JUSTIN SUH (-13)

Q. Justin, great playing, 7-under 65. What was working well for you out there again today?

JUSTIN SUH: Just good ball-striking. My driver's been good over the last few months, getting a lot of strokes gained off the tee definitely helps the approach here with some good approach made a few putts.

Q. Another player in your group also 13 under. Were you and Stephan kind of feeding off each other?

JUSTIN SUH: Yeah, it's also nice to have someone else go low and you can kind of see putts going in, I think that definitely makes the hole seem a little bit bigger. Yeah, definitely helps when people in your group are going low.

Q. Been in this position a couple of times this year. What's your comfort level going into the weekend in contention?

JUSTIN SUH: Yeah, I've been in this position before. I think overall everything I've learned in the past is just, you know, just keep playing golf. You're never really out of it, just keep playing, keep grinding, stick to what we've been doing. I don't know, I just feel like if I just keep putting myself in these positions, experience will help and that's kind of just what I'm doing.
