

**ROUND 1 QUICK QUOTES**  
November 9, 2023

**THONGCHAI JAIDEE (-6)**

**Q. Birdied five of your first six holes, off to quite the great start. When you get off to a start like that, do you feel like you need to kind of slow yourself down a little bit, not get too far ahead of yourself, or do you just kind of roll with it as best you can?**

**THONGCHAI JAIDEE:** Yeah, I hit really good today on the front nine. Hit a lot -- no, I mean like hit a lot of green. Front nine, I don't hit any green. Back nine, I miss only one green. I played so good today. I mean, you know, back nine we missed a couple hole, like 18 we missed like a (indiscernible) feet for birdie, but that's golf. Sometimes feeling good, sometimes feeling bad. But sometimes read the lie perfect, but sometimes read the lie, it's not perfect. Like the last one, we missed it.

You know, it give me a lot confident. The green is so good, the golf course is fantastic, but you hit a good tee shot, you have a good iron play, you hit a good putt, it can be low anyway this week.

The golf course amazing. The green speed, I love the green speed. Couple hole like 15, 17 and 18, you have to get like one birdie of the three. After my birthday last, I guess last night, made me a lot thing help me. I hope, you know, I play well after my birthday. I hope this week I'm going to play well. But golf, you know, try to get anyway. Forget last week, look forward to this week. And then final week this week to get back home after this I think will be nice. We play well and hopefully we cross my finger to get champ.

**Q. It's been a long season, you played really well. How special is it to be here this week playing in the Charles Schwab Cup Championship?**

**THONGCHAI JAIDEE:** My game on and off, you know, especially last two week, we don't play well because, you know, I hit iron not very good. Putting is on and off, but become this week the golf course and weather, everything, I love everything on the golf course. Last year we play here, but remember, we had to play well end of the season of this tournament. Look forward to see anyway, golf, next year anyway. I mean, this week I think fun week. Hopefully play well.

**Q. With that birdie putt on 18, was that a misread or what did you see there?**

**THONGCHAI JAIDEE:** I thought it going to be OK. I tried to hit a little bit firm. I took the ball to my left, I think it going to be a big left to right. Too short, but I feel like we pull, a little bit pull. We miss like too far back, you know. Golf, it can be happen.

Yeah, look forward to see tomorrow. I'm bogey free today. I'm really happy to be under par.

Try to give my best. You hit a lot of fairway, hit a lot of green (inaudible). Feeling like putting is coming back this week. The green is very, very good.
