

ROUND 1 QUICK QUOTES
November 30, 2023

BRIAN HARMAN (-5)

Q. Brian, good playing, 5-under 67. If we can just get an opening comment on the round.

BRIAN HARMAN: Yeah, I think it's a really tough golf course. The wind was blowing. I got out of position a few times, made some really nice up-and-downs. I'm going to go hit a few, see if I can tighten my iron game up a little bit. Putted nice other than the bogey on the last, pretty good.

Q. You scrambled pretty darn good out there.

BRIAN HARMAN: Yeah. Last time I played the RSM, my short game wasn't very good, so worked a little bit on it in the couple weeks. Glad that I chipped a couple close.

Q. What was the best one?

BRIAN HARMAN: Oh, the best one was when Lucas Glover hit it way long on 14 or 15 and got up and down. It was incredible. I joked with him, I said I thought I had the up-and-down of the day until you had that one. He was through, over the next green and knocked it right up there.

Q. So what was your best one then?

BRIAN HARMAN: My best one, probably long of -- I made birdie on 10, then I boneheaded 11 and was long in three, had to get it up and down from kind of nowhere back behind that green on 11.

Q. Did you do a lot leading up to this after RSM or did you just kind of --

BRIAN HARMAN: No.

Q. -- took it easy?

BRIAN HARMAN: Yeah, took it very easy.

Q. So you must be pretty happy by and large?

BRIAN HARMAN: Yeah, I showed up here and I could tell on the range I was hitting it pretty good. Like my starting point was better this week than it was for the RSM. I knew I was in a little better starting spot, like kind of the nuts and bolts of it were kind of lining up a

little bit better.

Q. Can you reflect on the year overall? It's probably been a lot of fun.

BRIAN HARMAN: It's been a fantastic year, fantastic year. Yeah, I'm super grateful. But I'm going to keep working hard. I like what I do, I like playing golf. I had a really fun time today. Just try to do a lot more of that.

Q. I haven't asked you yet about Tiger. What was your level of curiosity to see him play this week after not being out there since --

BRIAN HARMAN: Well, the guy's in phenomenal shape. Looks like he could suit it up for the Dawgs on Saturday. He is one heck of an athlete. I hope he feels good, I hope he's moving good, I hope he's pain free and can play a little bit more.
