JUSTIN LEONARD
TEAM USA

WORLD CHAMPIONS CUP

Q. Can you just kind of characterize that round and recap it a bit for us?

JUSTIN LEONARD: Yeah, fun day. Man, it was cold this morning, you know, and those first -- 1's not an easy hole location, 2's just a tough hole, and then it started to warm up a little bit.

Fun. You know, it's fun. You've got -- you're always in it you feel like. I feel like we did well. Unfortunately we didn't get any points there on the last hole, they made two great birdies. You know, fun morning and we'll try and go get 'em this afternoon.

Q. Any change in strategy going into the next nine?

JUSTIN LEONARD: No, no. Just, you know, get it in play, give ourselves options. You know, with alternate shot, once you're off the tee we'll play a little bit quicker. Just play some good golf, that's all you've got to do.
