ROBERT KARLSSON

WORLD CHAMPIONS CUP

Q. That was a great up-and-down.

ROBERT KARLSSON: Yeah, you shouldn't be there.

Q. What did you hit?

ROBERT KARLSSON: It was a little 5-iron in (inaudible) kind of lot of wind there from the left so we thought we need a 5 to get just past the corner.

Q. Tell me a little bit about that start you had. You guys were almost 6 under through four.

ROBERT KARLSSON: Yeah, we played well. Had a couple of lucky breaks, you know, when you're outside the green a couple times it helps obviously. Bunker shot for an eagle. And Miguel played really well at the beginning. So it can happen in better ball. We had fun and enjoyed the kind of momentum, so it was good.

Q. It's big here if you get a two-point hole and you guys ran out those three in a row.

ROBERT KARLSSON: Definitely. We needed it the way it looks.

Q. What's the week been like for you?

ROBERT KARLSSON: It's been good fun, enjoyed it. Yeah, no, it's been good. Team events, I played a couple Ryder Cups, a bunch of Seve Trophies back in Europe, (indiscernible,) always enjoy that. A bit different, a different vibe to them and you just go out and try to do your best for the team and be the best team that you can be. Enjoyable.
