DARREN CLARKE

WORLD CHAMPIONS CUP

Q. How do you wrap this week up?

DARREN CLARKE: Disappointing. I think we got off to a very good start and then yesterday morning we had a bit of a bad session where we didn't quite get going.

Q. Was it fun, this first event?

DARREN CLARKE: Yeah, it was brilliant. The whole event was fabulous. It was a little bit difficult there at the end seeing the scoring and stuff because maybe could have had another scoreboard or two out there to see what's going on.

It was great. We just -- unfortunately we found ourselves with a lot to do coming into today. We knew that anyway. The International guys and the American guys just played better than we have this week unfortunately. Made a few more putts than Team Europe did, but that's what a team event -- that's what golf is sometimes, especially in the team events.
