

ROUND 2 QUOTES
February 2, 2024

KEEGAN BRADLEY (-8)

Q. You must be pretty happy with your place on the leaderboard considering I know you didn't start well yesterday.

KEEGAN BRADLEY: Yeah, yeah. It was a good comeback. It was such a strange bizarre start yesterday, but I've played really well since. I'm really proud of coming back from that because it's a weird -- it's sort of a weird format so you're a little out of sorts so it's nice to get into a groove and shoot some low scores.

Q. What was weird about it?

KEEGAN BRADLEY: We're not used to playing with foursomes, it's just different.

Q. Tell us about your round today.

KEEGAN BRADLEY: I played pretty well today, it was a fun round, fun being out with Josh and Tom and Keith. When you get a sunny day at Pebble, it's pretty special.

Q. How was it playing with Brady?

KEEGAN BRADLEY: It was great. He's been my idol since I've been about 12, so it was fun to be out there with him. He got to meet my son Logan, so that was a cool thing as well.

Q. Any particular funny moment or memorable moment with Brady?

KEEGAN BRADLEY: Not really. It's just fun to hear these guys talk about football, hear about specific plays that Brady -- that I remember that I was at, Super Bowls that I was at, really fun.

Q. Talk about the next two days. Obviously tomorrow might be good, but Sunday looks like a difficult situation.

KEEGAN BRADLEY: Yeah.

Q. Can you just talk about your thought process going into that?

KEEGAN BRADLEY: It's pretty strange. I'm going to try to just play tomorrow. And I've always heard of these stories of hitting 5-irons and 4-irons off 7, so maybe I'll get my shot at it, too. But who knows, who knows.
