

**ROUND 2 QUOTES**  
**February 2, 2024**

**PATRICK CANTLAY (-10)**

---

**Q. Welcome back. Hey, wondering, good conditions today, supposed to be decent tomorrow. Do you go into attack mode tomorrow because knowing Sunday's supposed to be berserk?**

**PATRICK CANTLAY:** Yeah, I don't think Sunday being berserk changes how I'll feel about tomorrow's round. Obviously this course is gettable as soft as it is. I think it will take a good score tomorrow to kind of keep my spot or move up.

**Q. How did you feel about your game today? You said you were scrambling out there a little bit, but I guess taking advantage of the opportunities, right?**

**PATRICK CANTLAY:** Yeah, I didn't give myself as many birdie looks as I would have wanted on the back nine especially, but stayed in there. You know, made a decent amount of, you know, good up-and-downs coming in. I think I'm right there come the weekend, which is where I want to be.

**Q. Is there a comfort level with the new format now just making it so you can pretty much do your thing from here on?**

**PATRICK CANTLAY:** Yeah, I don't -- I don't think much differently about the new format. I think the 70, 80 guys on the weekend, we're all trying our best.

**Q. Why do you love this tournament?**

**PATRICK CANTLAY:** Growing up in California, hard not to love Pebble Beach, a golf course that from the first time I played it I was maybe 12 years old, fell in love with the place. Rain or shine, it's a great place to be.

**Q. Was that a junior event or just with your family?**

**PATRICK CANTLAY:** I played with my dad I think when I was 12 or 13 years old. It's just a special place up here.

**Q. If you could only win at one, would you rather win here or Riv?**

**PATRICK CANTLAY:** I don't know, I don't know if I like that question. I'd like to get both of them.

**Q. You call it a special place. Is there anything more special than the 18th green**

**here? Describe that to anybody that's never been here before.**

**PATRICK CANTLAY:** Yeah, I mean, it's just one of the most beautiful places in the world, and the fact that there's a golf course right here makes it even better. It would be beautiful without the course and the course kind of puts it over the top.
