

ROUND 3 QUOTES
February 3, 2024

MATTHIEU PAVON (-15)

Q. How would you kind of characterize the round today?

MATTHIEU PAVON: Yeah, pretty good round today, overall very solid tee to green. Only missed two shots which end up in the wrong spots so I made two bogeys. Really pleased the way I fought back every time. Got some good birdies and a nice birdie on 18 to finish the round.

Q. You're just continuing the wave from last week. Have you kind of -- how do you kind of explain how well you're playing right now?

MATTHIEU PAVON: I can't really explain it, it's just I think a combination of many things. Got better and better since I won my tournament back in Spain six months ago, then got my PGA TOUR card and now I come to America with some confidence and just confidence in me and my game. I think that's the key. If you want to play some good golf, you have to be confident. All you can do after that is like take a positive attitude and try to hit the best shot every time you show up.

Q. Obviously we don't know what's going to go on tomorrow and with the next couple days with the weather. How do you kind of mentally prepare on what could be the next couple days?

MATTHIEU PAVON: I don't. I'm going to prepare myself for tomorrow which would be like pretty much the last round of a tournament. We heard it's going to be bad, so the only thought I might have is how much rain the golf course can take because it's still quite humid. So we'll see, we'll see what's going to happen tomorrow and we'll see if we play tomorrow, Monday or not at all, I don't know.
