

**ROUND 3 QUICK QUOTES**  
**February 24, 2024**

**THOMAS BJØRN (-9)**

---

**Q. Thomas, you played out there, finished runner-up. Kind of what was the experience of the day like?**

**THOMAS BJØRN:** Yeah, I mean, I played nicely, I did everything I had to do. I thought this morning if I could get to 10 under I would have a good chance. You know, came up one short.

Yeah, a little bit disappointed, but you have to be disappointed when you finish second. But I felt like I did all the right things. When somebody holes a putt from 14, 15, 16, 17, then you deserve to win. Fair credit to Ricardo, it's life changing for him. So I'm happy for him, disappointed that I couldn't get it done, but hey, we go again.

**Q. You talked about the four straight birdies. He chipped in the water on 12 and obviously you know that puts you ahead. Then what was his kind of mindset like watching him do that afterwards?**

**THOMAS BJØRN:** Yeah, but that's a sign of a quality person and quality player, that they make a mistake and then they make up for it. After that he put his head down and started rolling in some good putts.

You've got to take your hat off for people that do that. That thing on 12 would have put a lot of people off and kind of limped in from there, but he didn't, he regrouped and made those birdies that he needed to do.

I made one mistake today on 15 and that cost me, but I'm happy with the way I played this week. You finish second amongst a lot of good players, you've got to take a lot of good from that. Yeah, obviously I would like to have done one better.

**Q. How much more are we going to see you out here on Champions Tour do you think?**

**THOMAS BJØRN:** As much as the guys will let me, that's it. As much as they'll let me play, I'll come and play. That's it now. I've done a lot of other stuff and I feel like I like playing, and obviously playing with these guys, these are the guys that I played my golf with in my life and I enjoy being around them.

I'd love to come and play. That's up to other people than me to decide if they want to see me in America. I'm asking the questions and if I get yes, I'll be there.
