

ROUND 1 QUICK QUOTES
March 8, 2024

CAMERON BECKMAN (-7)

Q. All right, Cameron, 7 under bogey-free round today, just takeaways from Round 1.

CAMERON BECKMAN: Just played really well. Drove it nice, didn't have any troubles off the tee, putted nice, hit a lot of greens. It was just a really nice day of golf for me and I'm looking forward to tomorrow.

Q. Did the conditions play a factor after it rained a little bit this morning?

CAMERON BECKMAN: Yeah, the greens are softer so we could get into the greens a little better. They've been really firm before it rained. I think that's why the scores are pretty good today.

Q. And just overall what has this week meant to you being here, the Cologuard Classic, raising awareness for colorectal cancer, just that impact?

CAMERON BECKMAN: It's really neat that we can do something, of course, and having Cologuard sponsor the tournament, I mean, this is a neat deal and it's neat that I get to play for somebody. Got to write him a note, sent him a video, it's all good. Hopefully she recovers.
