

CLUB CAR CHAMPIONSHIP

ROUND 3 QUOTES

April 6, 2024

KEVIN ROY (-11)

Q. Kevin, tied for the lead entering the final round. I guess mentality entering final group tomorrow at the top of the leaderboard?

KEVIN ROY: Yeah, I'm looking forward to it, looking forward to the challenge. I think we'll be with Phillip and he's an awesome guy, always like playing with him. I'm sure we'll have some fun out there, looking forward to it.

Q. Is there anything you can take from past tournaments where you were playing really well entering the final round that you kind of remind yourself of in situations like this?

KEVIN ROY: Yeah, I think I can draw back from basically the last two months, the start of the season I was in the final group on the last day, third day in the last day in the Bahamas and I didn't come out on top, but still played some decent golf. Yeah, I can draw back on that. I really like where my game's at, I think I'm playing really well. If the putter wants to cooperate one more day, I think we'll be all right.

Q. Is there anything you want to work on? Are you going to head to the range after this?

KEVIN ROY: I think the range is closed. It was a little shaky today, I didn't really have my best stuff but I hung in there. My caddie kept me in a good mental spot, hit a couple quality shots coming down the stretch. I'll draw on those going into tomorrow.

Q. You already seem like a super positive even keeled guy on the course, but you've been talking recently about the mental coach. How much does that help even in these moments when everything seems to be going well?

KEVIN ROY: Yeah, no, it's helped a lot. It's not just on the course, it's off the course as well. We call that the red light, green light, yellow light system. My goal going into every single tournament round I play, I try to be 95 percent in the green light. I really think I've been doing a good job of that the past two months. Whatever way it goes tomorrow, I'm going to have the same goal, try to be in the green light. If we come out on top, awesome. If not, we'll tee it up in a couple weeks at home.

Q. Outside of golf, any predictions for Final Four tonight?

KEVIN ROY: Final Four, I've got Purdue in the first game. I think they're kind of walk 'em out of the gym pretty good. Then we go UConn, I think UConn's going to win it all to be honest with you.
